

Auto-Renewing Membership Agreement

By signing up as a member I understand that:

- Memberships are on a monthly basis and are valid from the day I purchase my membership to that same day the following month.
- Memberships will auto-renew one month from the date I purchase my membership. This monthly donation will be automatically charged to my card on file.
- Memberships are month-to-month with no long term commitment. Start when I want and end when I want!
- I will receive a copy of this agreement and a receipt to the email in my studio profile.
- All changes to my membership must be made through Union via my Union account.
- Any membership rate exceeding our Sustaining Membership of \$80 monthly is tax-deductible for the difference. I can keep track of my donations by viewing my Union account.
